

# NEMSIS Research Request Form

## Public Use National EMS Database

Please use this form to request a copy of the Public Use National EMS Database.

If you are a person or representative of an organization interested in using the Public Use National EMS Database for research purposes only, please fill out the section below and snail-mail (or e-mail to [nemsis@hsc.utah.edu](mailto:nemsis@hsc.utah.edu) with an electronic signature) to the NEMSIS Technical Assistance Center (TAC) for approval. Please note, if you are specific concerning the description of the research, it will improve our ability to facilitate access to the database. The database will be made available to you through a mailed USB drive.

Thank you.

### TERMS OF USE

Please be advised of the following Terms and Conditions of Use. In order to request the NEMSIS dataset, you must agree to these terms and conditions (below), completely fill out the data application form and sign it.

The National Highway Traffic Safety Administration (NHTSA) Office of EMS established the NEMSIS Dataset as a public service to be a repository of EMS related data voluntarily reported by participating EMS agencies and states. **Please note that the NEMSIS dataset is not a complete population-based dataset.**

The NHTSA Office of EMS, through the NEMSIS TAC, collects and maintains the NEMSIS Dataset. Therefore, use of any information from this database must include a prominent credit line. That line is to read as follows:

*National Highway Traffic Safety Administration (NHTSA), National Emergency Medical Services Information System (NEMSIS). The content reproduced from the NEMSIS Database remains the property of the National Highway Traffic Safety Administration (NHTSA). The National Highway Traffic Safety Administration is not responsible for any claims arising from works based on the original Data, Text, Tables, or Figures.*

### Specific Terms of Agreement:

Limited license is granted to use said information from the NEMSIS Database from the National Highway Traffic Safety Administration, provided the Requester agrees to the following provisions:

- Treat the information received from the NEMSIS Technical Assistance Center as non-public health data. The data may never be used by Requester as a basis for legal, administrative or other actions that can directly affect an individual whose medical or personal information is identifiable in the data.

- Use the information received under the provisions of this Agreement only for the following not-for-profit purposes: research, advocacy, medical education, patient education, or other EMS care-related activities supported by not-for-profit organizations.
- All Information derived from the NEMSIS National EMS Database shall remain the full property of The National Highway Traffic Safety Administration and shall be so noted in educational material, website presentations, and publications.
- Warrant that The National Highway Traffic Safety Administration is not responsible for any claims arising from works based on the original Data, Text, Tables, or Figures.
- Indemnify the National Highway Traffic Safety Administration and the National EMS Information System Technical Assistance Center and their employees and agents from any and all liability, loss, or damage suffered as a result of claims, demands, costs, or judgments arising out of use of NEMSIS National EMS Database information.
- Requestor may not sublease or permit other parties to use NEMSIS data without advance written approval of NEMSIS Technical Assistance Center.

The Requester's obligations hereunder shall remain in full force and effect and survive the completion of the Requester's defined project described herein above. The terms of this Agreement shall be binding upon the Requester and the organization through which his/her project is conducted.

A copy of the final printed material must be forwarded to NEMSIS Technical Assistance Center staff.
